

Current Issue

Heavy-duty citrus degreaser with no chlorinated solvents.

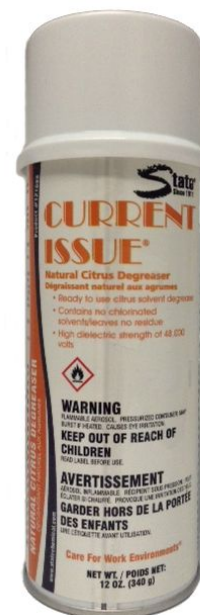

Powerful: Effortlessly dissolves heavy build-up of grease, tar, asphalt, oil, residue and waxes with aerosol convenience.

Safe: Environmentally preferred, based on biodegradable, natural citrus solvent. No chlorinated solvents or ozone depletors; non-acid, non caustic, non-corrosive, non-abrasive. High dielectric strength of more than 40,000 volts and a flashpoint above 140F.

Use on: Car and truck motors, tire whitewalls, equipment, concrete and masonry, washable filters, any type of metal, including aluminum and stainless steel, cement, fiberglass, carpeting and upholstery spotting.

Saves Money: Leaves no residue, so there is no need to rinse!

Smells Great: Fresh citrus fragrance.
