CLEAN SMARTER. SMELL BETTER.

Childcare Product Guide

We care . . .

We realize that the reason you decided to pursue a career working with children wasn't so that you could clean every day. Figuring out what product is the best for your situation and what should be used where, can be daunting. That's why we're here providing the right product solutions for every issue to help you with that side of the business. Neutron products are formulated so that keeping your facility clean, healthy and safe is easy, leaving you time to do what you do best - caring for and teaching our kids.

We are here for you!

QUICK DEFENSE EZ BLEACH TABLETS

The SAFER alternative to common liquid household bleach!

- Neutral pH is less corrosive, less damaging and more stable!
- 4 minute kill time against viruses and bacteria including C-diff which usually require 10 minutes. Kills Norovirus in only 1 minute.
- Tablets dissolve quickly in tap water. Make usable product as needed.
- Use as an every day disinfectant, cleaner or food contact surface sanitizer.
- Included on EPA's List N for use against SARS-CoV-2 (the virus that causes COVID-19).

 For general disinfecting and sanitizing - use quart bottle provided and drop in Quick Defense Tab(s).

 Fill with cool tap water. Let tablets dissolve completely before attaching sprayer. DO NOT SHAKE.

 Use to disinfect hard surfaces - tables, chairs, door knobs, toys, cribs, changing tables, wheel chairs and more. Spray until wet.

 Allow up to 4 minute contact time depending on surface, usage and pathogen concern. See detailed directions on Quick Defense container.
