

- Eliminates offensive airborne odors
- Non-chlorinated
- Leaves a lasting, pleasant scent
- VOC compliant as air deodorizer

DIRECTIONS FOR USE

Place aerosol refill into metered dispenser following instructions in cabinet. For maximum odor control, set to spray every 15 minutes. One refill can controls airborne odors for up to 4,000 cubic feet. Each can contains 3,000 metered releases. For manual use, press valve once to dispense. Repeat if more odor control is needed.

Seller shall not be liable for consequential, special, or indirect damages from the use of their product and liability is expressly limited to the refund of purchase price or replacement of product.
