

NEUTRON
CLEAN SMARTER. SMELL BETTER.

D-Molish

NOW!

Fresh Orange Scent

- Organically digests uric salts, proteins, cellulose, carbohydrates, fats, oils, and grease with nonpathogenic bacteria.
- Use to remove urine and other organic wastes from carpets, upholstery, fabrics, tile, grout, cement and other porous surfaces.
- Can be used around people, domestic animals, marine life, and plants.
- Maintains free-flowing and fresh-smelling drains.
- Nonflammable, noncorrosive.
- Meets the requirements for use in Federally inspected meat and poultry plants.

CAUTION

Direct contact may cause eye irritation.
KEEP OUT OF REACH OF CHILDREN
Read back panel carefully.

NET CONTENTS: 1 U.S. QT. (32 fl oz) (946 mL)

FOR INDUSTRIAL AND INSTITUTIONAL USE.

DIRECTIONS FOR USE

Deodorizing: Test a small, inconspicuous area before using on fabrics to be sure no discoloration will occur. Then spray directly on items to be deodorized.

Garbage Cans, Dumpsters: Spray undiluted D-Molish NOW! over garbage.

Carpeting: Spray a fine mist directly on the carpet to control odor causing pet stains and other soil spots. From separate sprayer, mist water on top of D-Molish NOW! to activate. For stubborn problems, cover with moist towel overnight. Odors frequently come from carpet pad. Covering with moist towel permits D-Molish NOW! to wick down to problem.

Animal Cages: Spray a fine mist, preferably when animals are out of cages. Do not spray directly on animals.

Bathrooms: Spray on floor under urinals or toilets to remove urine stains and deodorize. From separate sprayer, mist water on top of D-Molish NOW! to activate.

Removing Smoke Odor From Fire Damage: Spray undiluted on walls, floors, draperies, porous surfaces, or wherever smoke damage has occurred. Before re-entry, allow the area to dry and ventilate.

Drain Maintenance: Treat the lowest levels of the system first to avoid obstruction by matter from upper levels. In systems with a grease trap, treat trap before treating lines entering the trap. If trap is plugged, clean it out before applying D-Molish NOW!

APPLICATION	RECOMMENDED AMOUNT	FREQUENCY
Urinals/Toilet	8 oz. / 4 in. drain line	2 times per week
Drains	4 oz. / 2 in. drain line	2 times per week
Drain Fields	2 oz. / 200 ft. drain pipe	Weekly
Grease Traps	1 pint to each drain	Weekly
Septic Tanks	4 oz. / 1000 gal. capacity	Weekly

HELPFUL HINTS: Avoid use in presence of strong caustics, lye or acids. Avoid extremely cold or hot temperatures. Avoid areas previously treated with disinfectants, detergents, deodorants or other products which can kill D-Molish NOW's beneficial bacteria. Rinse these areas with fresh water before applying D-Molish NOW!. D-Molish NOW! is activated with water. Apply to moist surfaces or mist water on to treated area.

Product #105079
Sleeve# 115747

D-Molish NOW! neutralizes malodors while powerfully controlling grease buildup and organic waste. Ideal for use in the following problem areas:

Animal Cages	Poultry Houses	Showers
Laundry Drains	Dishwasher Drains	Fire-Damaged Property
Bar Sinks	Rendering Plants	Toilets/Urinals
Lift Stations	Drain Fields	Trash Cans
Bus and Plane Toilets	Septic Tanks	Food Service Operations
Locker Rooms	Draperies	Garbage Disposals
Carpeting	Sewage Plants	Grease Traps
Portable Toilets	Dumpsters	Water-Damaged Property
Cesspools		

PRECAUTIONS: Avoid contact with eyes. Wash thoroughly after handling.

FIRST AID: If swallowed, contact a physician immediately. In case of eye contact flush with plenty of water. Read complete MSDS before using product.

KEEP OUT OF REACH OF CHILDREN
