Never before have I seen my housekeeping staff so excited; they all swear by Spot Blaster and tell me it is the ONLY product that works! (Believe me, we have tried them all!) But we always come back to try to squeeze one more drop out of the last can of Spot Blaster. When we run to the local hardware stores for "carpet cleaner," we end up with another useless product. So although a case is a big order for us (we only have 22 rooms), I am ordering more Spot Blaster! Thank you for helping us keep our small ski lodge in Vermont clean, and for allowing me to clear away the shelves for much needed space; I am throwing out the collection of other so-called carpet cleaners as soon as the Spot Blaster arrives!
