

## NI-712 Disinfectant Cleaning Concentrate Cleaning Solution with NI-712 Citrus Scent

**Versatile:** Neutral pH formulation makes it acceptable for use on all washable surfaces. Cleans and disinfects

**On EPA's List N:** Included on EPA's List N for use against COVID-19

NI-712 Disinfecting Cleaning Concentrate (registration #1839-169) has demonstrated effectiveness against viruses similar to SARS-CoV-2 on hard, non-porous surfaces. Therefore, NI-712 Disinfecting Cleaning Concentrate can be used against SARS-CoV-2 (COVID-19) when used in accordance with the directions for use against human coronavirus on hard, non-porous surfaces.

**Neutral and Effective:** NI-712 Disinfecting Cleaning Concentrate is a phosphate-free, pH neutral formulation designed to provide effective cleaning, deodorizing, and disinfection for hospitals, nursing homes, schools, restaurants, office buildings, hotels, and other facilities where housekeeping is of prime importance in controlling cross-contamination from treated surfaces.
