

# SUPER DOOPER PRODUCT FAMILY

A CLEAN FRESH SCENT

[neutronindustries.com](http://neutronindustries.com)

**NEUTRON**  
CLEAN SMARTER. SMELL BETTER.

# PRODUCT SELECTION

## Neutron Odor Eliminator Super Dooper

- Water-based odor eliminator.
- Effective for use in air and on carpets, upholstery, and textiles to neutralize malodors.
- Suitable for application at full strength or diluted for use in fogging equipment.

### Neutron Odor Eliminator Super Dooper

129270	32 oz Bottles/CS12
129272	1 GL Bottle/CS4

## Neutron Enzymatic Cleaner Super Dooper

- Produces trillions of active enzymes that break down organic matter including food, urine, vomit, and blood to eliminate stains and odors at the source.
- Also effective for routine drain maintenance.
- Ideal for post-cleanup application after vomit incidents on floors or carpets, and for use around toilets and urinals to remove urine and other organic waste from tile, grout, and cement.

### Neutron Enzymatic Cleaner Super Dooper

129265	32 oz Bottles/CS12
129267	1 GL Bottle/CS4

# PRODUCT SELECTION

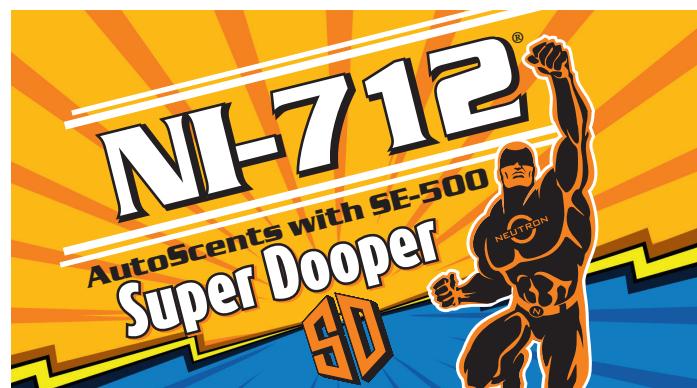

## Neutron Carpet Deodorizer Super Dooper

- Instantly deodorizes carpets without the need for vacuuming.
- Fast-drying foam leaves no residue and will not track.
- Specifically formulated to eliminate stale smoke and other persistent odors.
- Safe for use on both natural and synthetic fiber carpets.

Neutron Carpet Deodorizer Super Dooper

129263      18 oz Cans CS12

## Neutron NI-712® AutoScents™ Super Dooper

- Metered spray dispensers provide continuous odor control, neutralizing unpleasant odors 24/7.
- Formulated with a unique odor-neutralizing ingredient, these sprays eliminate odors at their source rather than masking them with fragrance.
- Covers up to 4,000 cubic feet per dispenser and delivers 3,000 metered sprays per can.

Neutron AutoScents™ Super Dooper

105113      7.25 oz Cans CS12
