

Ecolution Disinfectant with Victory Professional Cordless Sprayer

BUNDLE TO SAVE TIME AND MONEY

Keeping your facility disinfected and healthy just got easier. Now introducing the Victory Sprayer and Ecolution® Disinfectant bundles, a sprayer paired with a quaternary-based solution for many of your housekeeping needs. This powerful sprayer will efficiently coat hard, non-porous surfaces so disinfecting in mass is a breeze, saving you valuable time and money.

ECOLUTION BROAD-SPECTRUM DISINFECTANT

- Cleaner, disinfectant, fungicide, deodorizer, sanitizer, virucide and mildewstat.
- Fragrance- and dye-free formula is an EPA registered disinfectant that is on EPA's List N.
- This formula is effective against viral emerging pathogens. When paired with the Victory Sprayer, Ecolution Disinfectant will quickly disinfect and refresh common areas, such as offices, gyms, hotel rooms and lobbies, and hospitals alike.

SPRAY YOUR WAY

- Sprayer last 4 hours on a single charge, allowing you to run between 20 to 80 tanks of Ecolution Disinfectant on one charge so you can get the job done quickly and efficiently.
- Handheld sprayer delivers precise and quick treatment of a smaller sized space.
- Allows for maximum maneuverability in hard to reach areas, so you can be comfortable spraying Ecolution Disinfectant 4 to 6 feet with the backpack sprayer or 2 to 3 feet with the handheld.

Disclaimer: Only use Victory Sprayer with Ecolution Disinfectant as directed on the product label. Ecolution Disinfectant should only be applied with a cloth, mop, sponge, hand pump trigger sprayer or other mechanical sprayer device.
