

## NeuGuard™ - Bowl & Urinal Cleaner

### Superior clinging action results in less scrubbing.

This thickened formula clings while it cleans and continues to work through repeated flushings. Formula is designed for greater safety on the metals in plumbing systems, yet powerful enough to remove tough lime and uric acid salt deposits water lines, rust stains and encrusted deposits.

Formula contains 35% active ingredients to minimize cleaning time. NeuGuard Bowl & Urinal Cleaner is specially formulated to clean on contact with less scrubbing.

When used as directed, NeuGuard Bowl & Urinal Cleaner will not harm iron, copper or steel plumbing systems. However, do NOT use on chrome fixtures.

The mint aroma lasts for hours without the irritating harsh acid fumes common with ordinary cleaners. Surfaces are left deodorized and fresh smelling.

Case of 12 quarts #128692

- 35% active ingredients.
- Cleans and continues to work through repeated flushings.
- Removes hard water lines, rust stains and encrusted deposits.
- Will not harm iron, copper or steel plumbing systems.
- Do not use on chrome fixtures.

Squirt NeuGuard Bowl & Urinal Cleaner over the inside of porcelain toilet bowls or urinals. Spread around with a swab mop.

Wait 4-5 minutes. Rinse.

Leaves fixtures sparkling clean!

#### TECHNICAL DATA:

**APPEARANCE:** a green clear viscous liquid

**ODOR:** mint aroma

**ACID TYPE:** organic and inorganic

**SPECIFIC GRAVITY:** 1.152

**WEIGHT PER GALLON:** 9.61lbs

**VISCOSITY:** 75-165 centipose

**DILUTION:** use full strength

**pH:** less than 1.0 (acid)

**CORROSION INHIBITORS PRESENT:** yes

**URIC ACID SALT REMOVERS:** present

**RUST REMOVERS:** present

**SCALE REMOVERS:** present

**PERFORMANCE IN HARD WATER:** excellent

**EMULSIFICATION:** excellent
