

NI-712 Orange Select Odor Eliminator

Natural Odor Elimination Formula Designed for Specific Applications.

Powerful: Whether you are looking for a natural product or one that will not freeze, you can count on NI-712 Orange Select. The new natural formula was specifically designed to hold up in commercial applications where the product is used in freezing temperatures and maintain its odor elimination effectiveness. Laboratory tests prove patented ingredients SE-500™ boosts the natural odor-eliminating power of NI-712's citrus oils to eliminate offensive odors like cigar and cigarette smoke, spoiled food, cooking odors, medical condition odors, incontinence odors, urine, vomit, and even the strongest malodors such as Mercaptan, sulphur, petroleum, skunk and more.

Use On: Use virtually anywhere to eliminate airborne odors: restrooms, lobbies, hotels, daycare facilities, nursing homes, hospitals, petroleum refineries, gas companies, composting companies, water treatment plants, and so much more!

Case of 9 pints #127564
Case of 4 gallons 127567

Spray into the air away from people and furniture. Just one spray lasts for hours. Use more only if needed for really bad odors.
