

## ZERO IN™ Wasp & Hornet Spray

### Kill stinging pests from a distance.

- Kills wasps, hornets, Africanized bees and other dangerous flying pests from up to 15 feet away.
- Spray standing comfortably on the ground. No climbing on ladders or dodging dangerous swarms.
- Use on outdoor nesting sites as well as indoors in warehouses, attics, parking garages, picnic shelters and other areas where nests are built.
- Non-conductive - 40,100 volt dielectric strength. No need to worry about spraying near power poles or into electrical boxes.

Case of 12 aerosol cans (14 oz) #125359-12

# zero in™
