

NeuGuard Fragrance Clips

Discretely eliminates offensive malodors!

These fragrance clips are adaptable to any odor situation. They can be clipped to any inconspicuous area safely and securely, but are also portable and can be moved around for spot treatment anywhere odors occur. Clip to desks, cubicles, chairs, potted plants, trash cans, stair case railings, benches, and more for a fresh, odor free space.

In restrooms, NeuGuard Fragrance Clips can be clipped to toilets, restroom stall walls/doors and underneath washroom counters. They are the perfect partner to the NeuGuard Urinal Mats.

NeuGuard Fragrance Clips offer highly-concentrated fragrance that overpowers even the nastiest odors. The fragrance infused EVA plastic provides 30 days of scent. When it is time to replace the clip, it is 100% recyclable.
