

Foaming Glass Cleaner

- Delivers streak-free shine to windows in minutes.
- Non-static. Leaves no film behind.
- Thick foam clings to vertical surfaces; no need to “chase” it to keep it from dripping.
- Works on glass, plastic and fiberglass surfaces including leaded, beveled, tinted or stained glass, mirrors, glass block, glass tile and automobile windshields.
- Just spray and wipe.

TECHNICAL DATA

Appearance: Aerosol spray foam

Scent: Pleasant

pH: 9.5-10

Shelf Life: Minimum of one year.

Important Note: Avoid prolonged contact with soft plastic surfaces (such as vinyl). Do not use to clean soft visual electronic screens (such as laptop computers, big screen TVs, etc.). To avoid discoloration wipe from these surfaces immediately.

12 cans (18oz) per case. Item #128271

Shake well before using. Hold 6-12 inches away - spray glass and mirror surfaces lightly.

Wipe with clean cloth or paper towel until dry.

Leaves surfaces clean and streak-free!
