

## AbraCadabra

### Absorbent for Spill Clean-up

- Turn liquid messes into manageable gel in seconds - just like magic!
- Makes cleaning up unpleasant spills, urine and vomit a little less unpleasant. Can also be used to clean up acids, alkalines, gasoline, diesel fuel and other liquids.
- Simply remove the congealed spills with a broom or wet vacuum.
- Works on carpet and hard surfaces.
- Absorbs up to 70 times its own weight in fluids.
- One container absorbs up to 4 gallons of liquid.

12 containers (8oz) per case. Item #127838

Cleaning up the liquid and glass of a broken bottle can be dangerous. With AbraCadabra, the liquid becomes a gel easily cleaned up with a dustpan and broom.

	Put on disposable gloves if liquids are potentially harmful.
	Sprinkle AbraCadabra over spill until completely covered.
	Allow AbraCadabra to absorb liquid and congeal.
	Remove using wet vac or dust pan & broom.
	Clean and disinfect area.

*The AbraCadabra has a nice apple scent that completely replaces a mess's foul odor. It is such a good product that I have recommended it to other people that I know. My daughter does gymnastics at a gym and I brought it to my daughter's gym. A child got sick all over the carpeting, so I told them to try AbraCadabra. They were just completely amazed at how the stain and odor were removed. Absolutely, no stain and no smell were left. Now, the gym orders AbraCadabra from you too. We love the product, it is just great. Getting rid of vomit is an unpleasant job we have to do, but AbraCadabra makes cleaning it up a lot easier. I have to spread the word!*
