Products formulated to keep your facility clean, healthy and safe.

The fragrance in Botanical Bliss products contains no known allergens.

D-Molish Enzymatic Cleaner, Stain Digester and Odor Eliminator

- Contains trillions of enzymes that digest anything organic (food, urine, vomit, blood) eliminating the stains and odors.
- Use after cleaning up vomit on floors or carpet to digest anything left behind and around toilets and urinals to remove urine and other wastes from tile, grout and cement. Can even be used to pretreat soiled linens and clothing.

POWER TABS - The SAFER alternative to common liquid household bleach!

- Neutral pH is less corrosive, less damaging and more stable than liquid bleach!
- 4 minute kill time against viruses and bacteria including C-diff which usually require 10 minutes. Kills Norovirus in only 1 minute.
- Dilution bottle and sprayer included.

NI-712 Super Concentrated Odor Eliminator

- One quick spray works in seconds eliminating your worst odors. Doesn't just cover them up.
- One spray keeps an average 10x10x10 room odor free for up to eight hours.
- Eliminates all types of medical related odors including incontinence, urine, vomit and many others.

Surface Defense Wipes

- Kills a broad range of disease causing organisms with short 2 minute contact time for full disinfection.
- Cleans and disinfects in one step. Perfect for bed frames, wheel chairs and more.

Streamline Ready-to-Use All-Purpose Cleaner

- Cuts through all types of grease, gunk and grime on a multitude of surfaces.
- Use everywhere - every day. Convenient ready-to-use formula for streak-free cleaning.
