

Eco-Power Probiotic Floor Cleaner (formerly Ecolution Bio Floor Cleaner) Combines power of probiotics with grease cutting surfactants.

- Two way cleaning power delivers incredibly clean floors.
- Powerful cleaning agents remove grease and grime from the surface.
- Probiotic bio-additives penetrate grout and pores to digest grease and gunk that usually ends up back on the floor. Eliminates the grease by breaking it down into water and carbon dioxide.

- Clean using damp mop or an auto scrubber machine. Can also be sprayer around toilets and urinals to digest organic waste such as uric salts.
- Leftover cleaning solution can be poured down the drain where it continues to work keeping drain lines clear and odor free.

4 gallons per case.
Item #127468.
\$169/cs

FLOOR CLEANING

Fill mop bucket with one gallon of cool tap water.

General Floor Cleaning - add 4 ounces. (1:32).

Heavy-Duty Floor Cleaning - add 8 ounces. (1:16) for areas where grout is excessively dirty.

Mop leaving floor wet. **DO NOT RINSE.** Cleaner will stay active in grout up to 80 hours.

When done cleaning, pour any remaining product down floor drains to help keep lines clean and control odors.

AUTO SCRUBBER

Eco Power Probiotic Floor Cleaner can be used in auto scrubbers. Use at recommended dilution to avoid excessive foaming.

Use 4 ounces per gallon of water (1:32). Clean floors leaving areas wet. **DO NOT RINSE.** Cleaner will stay active in grout up to 80 hours.

UL EcoLogo® Certified UL 2792, biologically-based cleaning and degreasing compounds. It meets the strict environmental, health, safety and performance criteria set by UL EcoLogo®, a third-party environmental certification program.
