

SE-500™ Enzymatic Cleaner and Deodorizer

Neutralizes odors immediately, then digests the odor source.

- Contains trillions of enzymes that digest anything organic (food, urine, vomit, blood) eliminating the stains and odors.
- Use after cleaning up vomit on floors or carpet to digest anything left behind.
- Use around toilets and urinals to remove urine and other wastes from tile, grout, and cement.
- Non-acid, non-alkali and non-solvent. Safe to use in metal and PVC drain pipes.
- Beneficial to drain and septic systems.
- Add SE-500 Enzymatic to your mop and bucket cleaning: the good bacteria digest spills, grease and other organic material that have accumulated over time, leaving floors deep-down clean and odor free! Delivers a refreshing clean, fresh fragrance.
- Use everywhere. Drains, grease traps, showers, lift stations, sewage plants, septic tanks, sinks, dumpsters, toilets/urinals, carpeting, laundry, draperies and more. Refer to product label for complete list of applications and uses.
- Delivers a refreshing clean, fresh fragrance. Use with other SE-500™ products to keep your business looking clean and smelling fresh!

Case of 12 quarts #113889
Case of 4 gallons #113887
