NI-712 Airborne Odor Eliminator Eco-Friendly Spray

Whatever your odor issue - NI-712 Odor Eliminator is the solution. It is formulated with patented ingredient SE-500 to eliminate odors in seconds! NI-712 is the perfect solution for every business where odors are a problem. Odors can be offensive, irritating, aggravating and sometimes, downright embarrassing, but with NI-712, those odors are simply gone. These eco-friendly sprays contain no chemical propellants and can be sprayed from any position - even upside down. Industry and institutions from landfills to nursing homes have been using industrial strength Neutron formulas for over 40 years to solve the most challenging odor problems - even skunk and mercaptans. Regular office odors are easy!

DIRECTIONS FOR USE:

A little goes a long way! Spray in an upward sweeping motion away from furnishings. Use sparingly. Use more only if odor problem persists. Do not spray on wood, fabric, plastic or other hard surfaces. Do not overspray, floor surfaces may become slippery. Allow product to disperse before entering plume.
