Product #10041N

NEUTRON
CLEAN SMARTER. SMELL BETTER.

Lime b. Gone™

Hard Water Deposit Remover

Cleans scale and film from walls, floors and equipment.

Removes water stains and scale from utensils, glassware and coffee urns.

Works as a grout cleaner to remove soap scum and residue.

NET CONTENTS: 1 US Quart (946mL)

Completely dissolves scale, converting it into liquid form which may be flushed easily with water.

DIRECTIONS FOR USE:

DILUTION: Heavy Duty Cleaning: 10-12 oz per gallon of water. Medium Duty Cleaning: 6-8 oz per gallon of water. Light Duty Cleaning: 4 oz per gallon of water.

GENERAL CLEANING - Hard surfaces such as bathroom walls, kitchen floors, sinks, glassware, coffee urns, etc.

Following dilution directions, mix LIME-B-GONE with water. Apply to the surface - scrub with a brush - thoroughly rinse until clean.

EQUIPMENT CLEANING: Air conditioners, boilers, tanks, ice machines, etc.

Drain the equipment if necessary. Fill with fresh water to 2/3 capacity - add 1 quart of LIME-B-GONE for every gallon of water in the unit. Let the mixture circulate or remain in contact with the scaled surfaces for 50-60 minutes or more depending on the scale intensity. For heavy scale, repeat treatment may be necessary. After descaling operation, drain out the solution and flush the unit thoroughly with fresh water. Continue rinsing until all acid is removed.

NOTE: Use rubber gloves when handling. Do not use on galvanized surfaces.
