## Purely Lavender

Spray into the air away from people and furniture. Use more only if needed for really tough malodors.

Whatever your odor issue - NI-712 Super Concentrated is the solution. It eliminates odors in seconds and the scent is wonderful! NI-712 is the perfect solution for your nursing homes, schools, daycares, animal and vet clinics, hotels, restaurants – every business where odors are a problem. Odors can be offensive, irritating, aggravating and sometimes, downright embarrassing, but with NI-712, those odors are simply gone. Industry and institutions from landfills to nursing homes have been using Neutron formulas for over 40 years to solve their most challenging odor problems. NI-712 contains an odor neutralizing ingredient specifically formulated to eliminate your worst odors - even skunk and mercaptans. Regular office odors are easy!

#### DIRECTIONS FOR USE:

**SPRAYING:** A little goes a long way! Fill bottle and attach sprayer. Adjust for fine spray. Mist lightly - only one or two sprays. Use more only if odor problem persists. Do not spray on wood or plastic surfaces. Note: Do not allow overspray on floors or other surfaces where a slippery surface would be hazardous. Allow product to disperse before entering plume.
