KEEP OUT OF REACH OF CHILDREN

Clean Smarter. Smell Better.

NET CONTENTS: 1 U.S. Gallon (3.78 L)

Now the world's finest airborne odor eliminator is 30% more effective. Laboratory tests prove that SE-500® technology boosts the odor eliminating power of NI-712 to eliminate offensive airborne odors like skunk, tobacco smoke and other repulsive, putrid or rancid odors. It takes just one or two sprays to eliminate offensive airborne odors for up to 12 hours.

DIRECTIONS FOR USE:

SPRAYING: A little goes a long way! Attach sprayer to bottle. Adjust for fine spray. Mist lightly - only one or two sprays. Use more only if odor problem persists. Do not spray on wood or plastic surfaces. Note: Do not allow overspray on floors or other surfaces where a slippery surface would be hazardous. Now the world's finest odor eliminator is even more effective. Laboratory tests prove our new patented ingredient, SE-500 boosts the odor-eliminating power of NI-712 to eliminate offensive odors like skunk, tobacco smoke, and other repulsive, putrid, or rancid odors up to 30% more effectively. It just takes one or two sprays to eliminate offensive odors for up to twelve hours.

Note: Do not allow overspray on floors or other surfaces where a slippery surface would be hazardous. May cause allergic reaction in individuals sensitive to citrus products.

TOP FIVE INGREDIENTS AND HAZARDOUS SUBSTANCES: Orange Terpenes (CAS# 8028-48-6), Fragrance (Proprietary), Odor Neutralizer (Proprietary), and Butyl Hydroxytoluene (CAS# 128-37-0).

For Industrial, Institutional and Consumer Use

CAUTION Combustible liquid and vapor. Do not use or store near heat sparks or open flame. Avoid direct eye contact. If eye contact occurs, immediately flush eyes with plenty of water and continue flushing for 15 minutes. Get medical attention. Avoid prolonged skin contact. If NI-712 is spilled on skin, immediately wash off area with soap and water. Remove contaminated clothing. Do not take internally. If swallowed, do not induce vomiting. Get medical attention. If allergic reaction occurs (headache, difficulty breathing, sneezing or skin irritation), get fresh air immediately. Do not return to room with NI-712 in it until it has been thoroughly ventilated. Contact your physician if symptoms do not stop when removed to fresh air.

Refer to the SDS for full precautionary statements. SDS is available at www.ni-712.com or 1-888-712-7127.
