

FOR INDUSTRIAL AND INSTITUTIONAL USE

DIRECTIONS FOR USE:

The clinging gel can be applied on horizontal, vertical and irregularly shaped surfaces. Its slow releasing formula continuously provides fragrance for extended periods of time and is ideal for use on hard, non-porous surfaces. Spray on air conditioner filters, above doors, in trash receptacles, diaper pails and dumpsters, on walls in portable toilets, above ceiling fans and behind toilets.

Shake well. Point towards area to be treated. Spray in a slow sweeping motion 10-12" from surface. Product will continuously release pleasant fragrance and will totally evaporate over time. Reapply after product dissipates or when more odor control is desired.

WARNING: Flammable aerosol.

Contains gas under pressure; may explode if heated. Causes eye irritation.

PREVENTION: Keep away from heat, sparks, open flames, and hot surfaces. No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Wash hands thoroughly after handling.

RESPONSE: If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.

STORAGE: Protect from sunlight. Do not expose to temperatures exceeding 50°C/ 122°F. Store in a well-ventilated place.

DISPOSAL: Dispose of container in accordance with all Federal, State and Local Regulations regarding waste disposal.
