

# NI-712 Fresh Orange Airborne Odor Eliminator

## New Patented Ingredient!

Now the world's finest airborne odor eliminator is even more effective. Laboratory tests prove new patented ingredient SE-500™ boosts the odor-eliminating power of NI-712's sun-ripened, sweet citrus oils to eliminate offensive airborne odors like skunk, tobacco smoke and other repulsive, putrid or rancid odors up to 30% more effectively. It takes just one or two sprays to eliminate offensive airborne odors for up to 12 hours.

## DIRECTIONS FOR USE:

**SPRAYING:** A little goes a long way! Attach sprayer to bottle. Adjust for fine spray. Mist lightly - only one or two sprays. Allow product to disperse before entering treated area. Use more only if odor problem persists.

*Do not spray on wood or plastic surfaces.*

*Note: May cause allergic reaction in individuals sensitive to citrus products.*

A product of Neutron Industries

7107 N Black Canyon Hwy  
Phoenix, AZ 85021

To order, call: 1-888-712-7127  
Fax: 1-877-646-7337

**Caution:** Combustible liquid and vapor. Do not use or store near heat, sparks or open flame. Avoid direct eye contact. If eye contact occurs, immediately flush eyes with plenty of water and continue flushing 15 minutes. Get medical attention. Avoid prolonged skin contact. If NI-712 is spilled on skin, immediately wash off area with soap and water. Remove contaminated clothing. Do not take internally. If swallowed, do not induce vomiting. Get medical attention. If allergic reaction occurs (headache, difficulty in breathing, sneezing or skin irritation), get fresh air immediately. Do not return to room with NI-712 in it until it has been thoroughly ventilated. Contact your physician if symptoms do not stop when removed to fresh air. Read complete SDS before using product.

KEEP OUT OF REACH OF CHILDREN
