CLEAN SMARTER. SMELL BETTER.

NI-712

Concentrated Odor Eliminator
Contains natural citrus oil

Orange Select

Spray into the air away from people and furniture. Use more only if needed for really tough malodors.

Whatever your odor issue - NI-712 Super Concentrated is the solution. It eliminates odors in seconds and the scent is wonderful! NI-712 is the perfect solution for your nursing homes, schools, daycares, animal and vet clinics, hotels, restaurants – every business where odors are a problem. Odors can be offensive, irritating, aggravating and sometimes, downright embarrassing, but with NI-712, those odors are simply gone. Industry and institutions from landfills to nursing homes have been using Neutron formulas for over 40 years to solve their most challenging odor problems. NI-712 eliminates your worst odors - even skunk and mercaptans. Regular office odors are easy!

DIRECTIONS FOR USE:

SPRAYING: A little goes a long way! Fill bottle and attach sprayer. Adjust for fine spray. Mist lightly - only one or two sprays. Use more only if odor problem persists. Do not spray on wood or plastic surfaces. Note: Do not allow over-spray on floors or other surfaces where a slippery surface would be hazardous. Allow product to disperse before entering plume.
