

Whatever your odor issue - NI-712 Odor Eliminator is the solution. It is formulated with a patented ingredient to eliminate odors in seconds and is the perfect solution for every business where odors are a problem. Odors can be offensive, irritating, aggravating and sometimes, downright embarrassing, but with NI-712, those odors are simply gone. Industry and institutions from landfills to nursing homes have been using industrial strength Neutron formulas for over 40 years to solve the most challenging odor problems - even skunk and mercaptans. Regular office odors are easy! More than 1500 sprays in every can. Meets VOC guidelines as an air freshener in all states.

DIRECTIONS FOR USE:

A little goes a long way! Mist 2-3 times into the air away from furnishings. Use sparingly. Use more only if odor problem persists. Do not spray on wood, fabric, plastic or other hard surfaces. Do not overspray, floor surfaces may become slippery. Allow product to disperse before entering plume.
