NEUTRON
CLEAN SMARTER. SMELL BETTER.

PRODUCT OVERVIEW :

TECHNOLOGICALLY ADVANCED FRAGRANCE DELIVERY SYSTEM

The Neutron Atom Air® Fragrance System utilizes a cutting-edge combination of compressed air and agitation technology to deliver a dry vapor, eliminating slip hazards and preventing staining in your facility. Designed for consistent performance, it ensures that the fragrance experience remains unchanged from Day 1 through Day 30. Pre-configured and ready for immediate use, there's no need for complicated programming or setup.

INNOVATIVE FRAGRANCE FORMULAS BY OUR EXPERTS

Our advanced fragrance formulas are designed to neutralize unpleasant airborne odors at a molecular level, ensuring a consistently fresh and clean environment. We offer a range of nine fragrances, including allergen-free options, all developed to deliver long-lasting freshness and reliable performance for consistent results over time.

DIRECTIONS FOR USE :

- Unscrew the cap from the refill bottle (counterclockwise).
- Attach the white diffuser head, ensuring the dip tube is inside the bottle.
- Align the diffuser head tip with the dispenser opening and push firmly into place, keeping the bottle upright.
- Press down on the diffuser head to secure the connection.

IMPORTANT NOTES

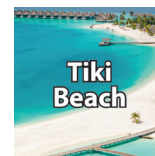

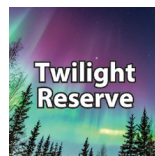

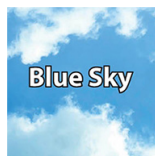

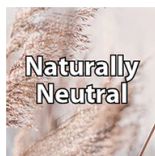

1. Avoid direct contact with surfaces or fabrics; vapor may damage finished or painted surfaces.
2. Do not inhale directly.
3. Use only as directed.

FRAGRANCE DESCRIPTIONS :

Naturally Neutral: No known fragrance allergens. A refreshing airy fragrance of crisp fruits intertwined with fresh floral notes and balanced with clean musk and soft woods.

Botanical Bliss: No known fragrance allergens. The scent combines touches of citrus with the scent of green tea and jasmine plus deep woody undertones.

Blue Sky: No known fragrance allergens. Crystal powder breezes over white roses, luminous jasmine swirled with touches of orange blossom and white musk.

Tranquil Power: No known fragrance allergens. A soft, powdery scent that blends the earthy calmness of natural herbaceous, flower, amber and rich musky scents. It's that power of self found only in tranquil moments.

Twilight Reserve: Orange zest and bergamot with delicate rose, jasmine and sandalwood.

Fresh Orange: The nostalgic orange-vanilla scent from childhood memories of dreamsicle bars. An energizing citrus scent composed of sparkling orange notes paired with warm vanilla.

Sweet Lemon: Sunny, zesty lemon with sweet velvety vanilla.

Bamboo Lagoon: It's like walking through a bamboo forest full of wildflowers, hints of violet, hyacinth, and banana flower with a clean bamboo fresh undertone.

Tiki Beach: Like a fresh breeze coming from the islands to your door. This fragrance is a wonderful blend of toasted coconut, vanilla musk and purple orchids infused with citrus and pineapple to round out your trip to sensory paradise!
